Over 40 Years of Excellence

BEET is an independent family-run school, whose aim is to achieve the highest standards in an atmosphere of warmth and friendliness.

We are a student-centred school motivated by quality; we pride ourselves on the level of care and attention our students receive.

The school is medium-sized and has an average of 150 students from between 20 and 40 different countries; our size enables us to provide a properly structured learning programme with the individual attention students need. Originally a charming 19th century church school building, BEET now also benefits from the latest technology.

A full range of teacher training courses is also available at our teacher training centre, ITTC. www.ittc.co.uk

Learning English at BEET

YOUR FIRST DAY

You will be welcomed to the school by our Academic and Accommodation/Welfare teams. We will give you a test to find your English level. You will log on to BEET Online, access the Student Guide and can start studying online straightaway.

On *preferred start dates you will have a Welcome Meeting where you get to know the other new students, find out important information about the school and get some tips on living in England. You will also have a coach tour of the local area.

HOMEWORK AND SELF-STUDY

Homework forms an important part of your course. The amount depends on the type of course you are following, but you should expect to do 1 to 3 hours a week on a General English course. If you are in an exam class, it will be more! We also believe that self-study is very helpful - with our library and two computer rooms, there are many opportunities to use your own time to focus on those areas you want to make even quicker progress in.

YOUR PROGRESS

YOUR LAST DAY

On your last day, you will receive a Certificate of Studies, provided your attendance and performance are satisfactory. This certificate makes an assessment of your level and comments on your progress during your course. Students on an International Academic Year course receive a Diploma.

From your first day to your last day, we try to make sure that your stay with us is both educational and enjoyable. We believe BEET is an excellent environment for learning English, and we look forward to welcoming you.
