# WHAT OUR STUDENTS SAY ABOUT US

"Why Malta? That was the question I heard the most, before I left. Why not! Now I would say, I found culture, adventure and a place to learn and improve my English. Easy School of Language is in Valletta the capital city. I had the feeling you can go everywhere from this place. I would like to thank the staff for the enjoyable time and the opportunity to broaden my horizon. From the beginning I felt welcome and in good hands. I was impressed to see how the staff and teachers were dealing with so many different cultures. You can meet people from all over the world and share the experience. Malta provided all that and more. I had an unforgettable time here and I will come back for sure!"

**DAJANA MOHR**  
GERMAN STUDENT

"My experience at EasySL was very interesting. The staff is always helpful and friendly and the teachers are excellent. The best thing is the opportunity to meet other students from around the world and to learn about the different cultures while learning English."

**ELENA GARATTI**  
ITALIAN STUDENT

"My name is Lucas and I'm from Brazil, I studied at EasySL for 2 months and it was a great learning experience. The course gave me good interaction between students from different cultures. The teacher initiated interesting discussions and I could see a much better improvement in my English. EasySL staff are attentive and concerned about the welfare of the students. The school location is excellent, it allows you to go anywhere in Malta. I recommend EasySL because it was a very enjoyable experience in my life."

**LUCAS GONZALES**  
BRAZILIAN STUDENT

“Before I decided to come to EasySL I contact them to ask what courses and accommodation they offered. Immediately they emailed me with all the information in my language. They booked all for me. On my first day in Malta I realized that EasySL was the right choice. Classes were in the morning so you have plenty of time for travelling around the island. There are interesting places near the school. Malta is very beautiful, interesting and historical country. The course at EasySL is the greatest way to combine study with leisure. If you want to improve your English, EasySL is the best. I really recommend this school.”

**VOLHA RYBACHONAK**  
BELARUSIAN STUDENT

Easy School of Languages is located in one of the most picturesque areas of Malta - Valletta, and my each and every trip to School either by bus or by ferry looks like an excursion. I think that the methodology of teaching should be recognized as one of the best that I have ever had. We study in a very lively environment. During the lessons we sing, play, make dialogues, guess the meanings of words, and as a result my language level is improving much faster. Besides that, I met many new friends from other countries with whom I speak English only. I chose Malta to learn English because I was also planning to enjoy the sun and swim in the sea, but on top of it I was impressed by the Maltese culture, great architecture and delicious food. I visited many interesting excursions, travelled around the island riding a motorbike and did some surfing.

**EVGENII SHEIDLIN**  
RUSSIAN STUDENT

“Easy School of Languages is like one big family with students from all over the world. Since I arrived in Malta in May my English grade has changed from A2 to B1, because the school has a very professional team of teachers. I’m very happy that I’m improving my English. I recommend EasySL if you want to improve your English skills too.”

**WEI FANG**  
CHINESE STUDENT

“I studied English for 6 months at EasySL. My experience was wonderful in this school. When I arrived to Malta I was not able to speak English fluently. Fortunately, the school has great teachers. They always supported me to improve my level. I also have made some new friends from different countries. We helped each other to speak English fluently. After these 6 months I can say that I speak English very well. I really appreciate my stay in Malta. I’m sure that you can also have a great time at EasySL.”
