

English courses for motivated adults - no teenagers!

“Kingsway is perfect for discerning adults wanting a high quality English course delivered in a friendly and professional environment”

Kingsway’s Typical Student

is aged about 45 years old, stays for 2 - 4 weeks, wants to focus on speaking and listening, is European or Japanese and is highly motivated.

The Learning Environment

is calm, relaxed and professional. Lessons take place in our lovely executive centre which is comfortable, stylish and well equipped.

Kingsway’s English Courses

Our courses focus on speaking and listening in a wide variety of general or business contexts. We do not use course books but use our own materials so that every lesson is interesting and relevant.

Our students expand their vocabulary, improve their fluency and feel more confident with speaking English. They have fun in lessons!

General English

Our groups go from elementary (A2) to upper-intermediate (C1) levels. This is a good choice for you if you want to improve your fluency and confidence. With a maximum of 6 students per class you can be sure of getting lots of speaking practice.

Business English

Classes are for levels B1 or higher. We cover a variety of topics useful for professional people, e.g. small talk in a business context or taking part in meetings. There is a maximum of 4 students per class so you get plenty of individual attention.

Combination

You can combine group lessons with one-to-one lessons and General English with Business English. This gives you the best of both worlds!

One-to-One

If you are short of time, have very specific needs, or are a beginner, then we recommend you take one-to-one lessons to focus on your particular needs.

We are in the English Cathedral City of Worcester

Worcester is one of England's hidden gems. It is a small city away from the overcrowded and cosmopolitan south-east of the UK. The city is small enough to feel at home in, but big enough to have a great range of shops, restaurants, bars and pubs. Situated on the river Severn and with stunning views to the Malvern Hills, you have the advantages of city living but beautiful countryside is within easy reach. The Cotswold villages, Shakespeare's Stratford, Warwick Castle, Bath, Stonehenge and Oxford are all nearby.

Homestay Accommodation

We recommend staying with one of our excellent homestays. All are in nice residential areas within walking distance of Kingsway. The category "executive" guarantees a private bathroom. All of our homestays are friendly, warm and welcoming and ensure that you are immersed in English 24/7. Breakfast and dinner are included in the weekly price.

Other Accommodation Options

Self-catering: Kingsway owns 2 x 2-bedroomed apartments which are 200 metres from school. They are clean, stylishly furnished and well-equipped. You can stay there on your own or you can bring a friend or relative without the price changing.

Hotels: Worcester has a range of 3 and 4 star hotels.

Dates - start any Monday

You can start on any Monday throughout the year with the exception of Easter Monday and the last Monday of August. On these two Mondays the school is closed and courses start on Tuesday.

The school is also closed for a 2-week break over Christmas.

Most of our students stay for 2-4 weeks but the maximum length for General English groups is 12 weeks and for Business English groups 4 weeks.

Arrivals and Departures

Ideally arrivals should be on a Sunday and departures on a Saturday, but our homestays can normally be flexible to fit around the most convenient flights.

Our nearest airport is Birmingham which is 60km from Worcester. We can provide airport transfers in our own vehicles with our own drivers from any UK arrival point.
